3rd International Congress of Transformative Mediation 2018

“Supporting Transformative Communication”

Ljubljana, November 23-24, 2018

Benefit from valuable exposure to the “right” audience.

This exciting sponsorship opportunity will enable your organization to:

- Build corporate image and increase corporate visibility
- Advertise your company’s commitment to mediation and quality communication
- Build relationships with fellow industry leaders
- Develop awareness of what your organization has to offer
- Network with new potential clients and partners
- Present your products and services before a national and international audience

Sponsorship will place your name in front of mediators, mediation trainers, HR professionals and users of mediation services who you want to know. Don’t miss this opportunity to show your organization, expertise and commitment to quality communication and advertise your services to this highly specialized audience.

Prospective Attendees

Our advertising campaign will reach professionals interested in mediation, transformative communication, mediators, social workers, In-House mediators and leading mediation providers across Europe.

Topics are timely and developed to reflect current issues across Slovenia, Europe and the world:

The focus will be on application of transformative mediation in different areas of society and development of transformative communication. This will include also various case studies. Topics like Mindfulness Based Transformative Mediation, Neuropsychological aspects of transformation and change in mediation, The Use of Transformative Mediation for the Resolution of Workplace Conflict, Incentives for parties to use mediation instead of litigation, Use of mediation skills in business negotiations, Tips for Reducing Personal Reactivity for the Transformative Mediator – Neuroscience and Conflict Transformation: What every Practitioner Needs to Know, Community based conflict resolution, Couple and marital mediation, to name only few, will be presented at the Congress.

Table for promotional materials

OR

placement of flyer in package s for participants(materials must be pre-approved)

In-Kind Sponsors

With products or services of interest or value to attendees (products/services must be pre-approved) may make available advertising space in trade publications, mailing lists, and other valuable support to the conference. In-Kind Sponsors will be assigned the sponsorship level relative to the market value of the service provided, with the appropriate benefits for that level of sponsorship.

Collaborative Partner

Announce the conference in your newsletters, post information on your calendars and website, circulate notices to your members and be recognized in conference publications and on the conference web site.

As a sponsor we would ask you to provide the following so we can ensure you receive maximum exposure:

- 🌟 electronic copy of your corporate logo
- 🌟 web site address
- 🌟 proposed presentation topic (if any and if space available)
- 🌟 names of delegates to attend the conference
